### DETAILED ACTION

1. Receipt of the Amendment filed December 17, 2004 amending claims 1 and 7, adding claims 25 and 26, and canceling claims 6, 9-16 and 18-27 is acknowledged. Claims 1-5, 7, 8, 17 25 and 26 remain pending in the application and are presented to be examined based on their merits.

#### *Allowable Subject Matter*

2. Claims 1-5, 7, 8, 17 25 and 26 are allowed.

3. The following is an examiner's statement of reasons for allowance: The closest prior art of record Ginter (US 5,892,900), Saxon (US 5,758,359), Ijichi et al (US 5,932,859) and Tran et al (US 5,440,108). Ginter discloses an electronic management system which manages an electronic wallet device holding monetary data and having a backup data management means for receiving the backup data from said backup data sending means and saving the received backup data into a backup database, but fails to disclose a backup condition testing means for testing predefined backup conditions to determine whether to make a backup. Saxon discloses a backup condition testing means for testing predefined backup conditions to determine whether to make a backup. Ijichi discloses receiving means for receiving a re-issuance application for an electronic wallet device, but fails to disclose issuing a new electronic wallet. Tran discloses issuing electronic wallets. The aforementioned prior art fails to show, individually or in combination receiving means for receiving an accident report concerning an electronic wallet device; and temporary electronic wallet issuing means, responsive to the accident report received by the

Art Unit: 3624

receiving means for calculating elapsed time between the last backup operation and the reception of the accident report and issuing an temporary electronic wallet device with a limited valid period and a credit limit that is determined according to the elapsed time. This claim language is found in the aforementioned claims and supported by pages of applicants specification

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3624

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel S Felten whose telephone number is (703) 305-0724. The examiner can normally be reached on Flex.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vincent Millin can be reached on (703) 308-1065. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
